Re: Human Health Risk Assessment
Atlantic Research Corporation, Gainesville, VA
EPA ID No. VAD 023741705

Dear Brian:

The purpose of this letter is to document a conclusion to the assessment of risk, specific to human health, for the Atlantic Research Corporation (ARC) Gainesville, Virginia site. Based upon EPA review of the information provided by ARC and their consultants, the baseline human health risk assessment (HHRA) conducted for the ARC site is approved by EPA, Region 3. The HHRA has met all requirements and guidance governing HHRAs. The HHRA, including all addenda, technical comments and responses to EPA comments, is complete and no additional work is required. If you have any questions please contact me at (410) 305-2779 or by email at weissbart.erich@epa.gov.

Sincerely,

A handwritten signature in cursive script that reads "Erich Weissbart".
